

**We are very happy to announce that AmazingMail, a leading postcard printer and service provider for many Fortune 500 Companies has agreed to partner and support SeniorNet.**

**The enery it takes to design, produce and mail an advertisement to our communitcy is not only costly but time consuming.**

**AmazingMail makes this easy with its technology, great products and world-class service.□ We can upload our own JPEG images or select from their gallery of art, type a message, and mail the postcard the NEXT business day First Class postage.**

The Amazing Mail partnership provides a platform for members to learn more about how to help support the community and how they can help pay our way forward and secure pictures to
