The "**Homebound Remote Learning Project**" and **E. Yaphank Center** was the idea of Slava Vero, Co-Coordinator, Huntington SeniorNet Center. With her leadership and the support of dedicated, outstanding volunteers, members, and stakeholders -- this idea came to a wonderful reality. We are all proud of this exceptional team and thank the many supporters.

## **Grand Opening of SeniorNet at FSL, L.I. East Yaphank Annex**

On Thursday, March 25, 2010, SeniorNet proudly celebrated the grand opening of its new computer-training annex at the Family Service League East Yaphank building complete with refreshments and ribbon cutting ceremony. Rooms and hallways were crowded with happy smiling guests that included Town of Brookhaven dignitaries and elected officials, Family Service League Board members, administration and staff, SeniorNet members, volunteers and various SeniorNet supporters.

The group was treated to short and often humorous congratulatory speeches many of which provided insights onto the complex issues involved in opening this annex.
