

Phil Carnahan 2010 Years of Service and Support Award

We are pleased to announce to our members, students, volunteers, sponsors, partners, and stakeholders that Phil Carnahan has been honored with an **Award for Years and Service in Support of SeniorNet**.

As the Technical Director for SeniorNet, Phil provides technical and general support to all SeniorNet Learning Centers in the United States. Moreover, he has supported SeniorNet Learning Centers and startup training for volunteers in one capacity or another for 15 years. He also helped found the San Jose Willows SeniorNet Learning Center, where he was the Learning Center Coordinator, an Instructor, a Coach, and a member of the technical support staff.

Congratulations, Phil, and thank you for your many years of dedication and service to SeniorNet!
