

SeniorNet is the nation's premier and most respected nonprofit organization specializing in computer and internet education for adults over 55 and those in need (veterans, disenfranchised, and those with disabilities). Since 1986, SeniorNet has empowered more than two and half million students by providing encouragement, lifelong learning opportunities and new worlds to explore via the internet. Based in Fort Myers, Florida, we have learning centers across the United States, including Indian Reservations with international affiliations in Nepal, Netherlands, South Korea, China, UK, Sweden and New Zealand.
